## Level 3 Summer Open Meet

The Magnet Leisure Centre, Holmanleaze, Maidenhead, SL6 8AW

Sunday 30<sup>th</sup> June 2019

### Welcome to our Level 3 Gala

We are delighted to be hosting such an exciting meet today and thank you to all the coaches, parents and friends who are here to support our swimmers. We have over 100 swimmers here today, the majority of whom are swimming to achieve County qualifying times and we hope that everybody attending has a great experience, and achieves their aims. Building a network that celebrates everything that swimming has to offer, is part of what I hope this day can bring.

Swimming is a sport that requires great commitment and meets like this are a great opportunity to put those efforts to the test in the full glare of the stopwatch (!) and the friends and family cheering you on.

The Magnet Leisure Centre has served Maidenhead and the wider community superbly for many years and with the recent news of the new pool arriving in 2020, our hope is for vibrant, well attended meets that raise the roof here, until that time comes (In other words, please cheer loudly!).

And finally, a swimming meet is a thing of many, moving parts. A massive thank you to all the volunteers and officials who undemonstrably provide their time (and expertise) to make this happen. None of what we are here to enjoy this evening would be possible without the generosity of spirit of everyone involved. A sincere thank you to you all.

*Martyn Howley, Chair, Maidenhead Marlins*

### Message from our Head Coach

I would like to take this opportunity to extend a warm welcome to all of the swimmers competing at our our Level 3 Open meet. We are hopeful of an exciting competition with lots of very fast swimming.

It is always a pleasure watching excited youngsters competing in galas. The mixture of anticipation and trepidation before racing is felt very keenly by swimmers, coaches family & friends alike.

I am also delighted to see a number of Masters swimming competing today, and wish them every success.

Swimmers work very hard in training to develop stamina speed and technique the three requisites of success in competition. Racing is the best way of truly honing these skills. Therefore it is really important that swimmers focus on their race plans and execution of these skills whilst racing. All too often swimmers pay too much attention to the time they have achieved. All of the Olympians will tell younger swimmers that the most important factor in their success has been the acquisition of skills. Starts turns and stroke skills are developed by hours and hours of correct practice to form these good habits.

Many thanks to all the volunteers who put in so much hard work to make this gala an outstanding success.

*Paul Lloyd, Head Coach Maidenhead Marlins*
