

# Ian

Forever remembered as....

WE dreamed, YOU dreamed bigger.  
WE fall, YOU lift us up.  
WE cry, YOU pick us up.  
WE feel sad, YOU motivate us.  
WE laugh, YOU laugh harder.  
WE feel accomplished, YOU said aim higher.  
WE feel strong, YOU cheer us on.

YOU created moments to cherish forever.

An inspiration, story teller, coach, friend,  
person to confide in. Ian was so many things  
to us all, he gave us a space to achieve  
greatness, aim for greatness, strive to be the  
best version of ourselves. There was never a  
dull moment with him no matter how tough  
the situation it came from a place of care and  
love.

Ian was so loved by us all dearly, I wouldn't  
be the person I am today if it wasn't for him  
and the memories I will remember forever.  
He was such a simple man just him and his  
plastic bag but he had the biggest heart to go  
along with his huge personality everywhere  
he went.

He will be truly missed but never ever  
forgotten. RIP IAN GREATEST OF ALL  
TIME (GOAT) x
