WSC Anti-Bullying Policy

www.wokingsc.co.uk

This policy has been modelled on the anti-bullying guidance provided by the ASA in conjunction with Kidscape. (www.kidscape.org.uk)

Statement of intent

Woking Swimming Club is committed to providing a caring, friendly and safe environment for all of our members so they can learn to swim or train in a relaxed and secure atmosphere. Bullying of any kind is unacceptable within any part of the Club.

If bullying does occur, all members should be able to speak out and feel reassured that incidents will be dealt with promptly and effectively. We are a TELLING organisation. This means that anyone who knows that bullying is happening is expected to tell the welfare officer, coach, teacher or another officer or employee of the organisation.

Objectives of this policy

- All officers, teachers, coaches, members and parents should have an understanding of what bullying is.
- All officers, teachers and coaches should know what the organisation's policy is on bullying, and follow it when bullying is reported.
- All members and parents should know what the organisation's policy is on bullying, and what they should do if bullying arises.
- All organisations should take bullying seriously. Members and parents should be assured that they will be supported when bullying is reported.
- Bullying will not be tolerated.

What is bullying?

Bullying is the repetitive, intentional hurting of one person or group by another person or group, where the relationship involves an imbalance of power.

It can happen face-to-face or through cyberspace, and comes in many different forms – bullying can include:

- **Verbal:** Name calling, persistent teasing, mocking, taunting and threats.
- **Physical:** Any form of physical violence, intimidating behaviour, theft or the intentional damage of possessions. This includes hitting, kicking and pushing.
- **Emotional:** Excluding, tormenting, ridiculing, humiliation, setting people up and spreading rumours.
- **Cyber:** Cyber bullying is the misuse of digital technologies or communications to bully a person or a group, typically through messages or actions that are threatening and/or intended to cause offence, anxiety or humiliation.
- **Racist:** Bullying based on ethnicity, skin colour, language, religion or cultural practices.
- **Homophobic:** Discrimination based on sexuality and/or gender identity.
- **Sexual:** Unwelcome sexual advances or remarks that are intended to cause offence, humiliation or intimidation. This could include pressure to send images of a sexual nature.
- **Disablist:** The bullying of children who have special educational needs and disabilities.
- **Based on 'difference':** Bullying based on any real or perceived difference. This can include, but is not limited to, factors surrounding the way someone looks or dresses, hobbies and interests, family situation or social behaviour.

Why is it important to respond to bullying?

Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect. Members of the organisation who are bullying others need to learn to behave more appropriately.

Organisations have a responsibility to respond promptly and effectively to issues of bullying.

Procedures

- Report incidents of bullying to the welfare officer (welfare@wokingssc.co.uk), coach, teacher or another officer or employee of WSC.
- In cases of serious bullying, the incidents are to be recorded by that person and referred to the welfare officer if he/she is not already aware.
- In serious cases, parents should be informed and will be asked to come in to a meeting to discuss the problem.
- If necessary and appropriate, the police will be consulted.
- The bullying behaviour, or threats of bullying, must be investigated and the bullying must be stopped quickly.
- If bullying is found on the 'balance of probability' to have taken place, then appropriate action will be taken. This includes attempting to help the bully/bullies to change their behaviour with the use of 'behavioural contracts'.
