

# Woking Swimming Club

## Roll of Honour

### 2010 – Catherine Taylor

Catherine could almost have slipped under the radar for recognition because her four club records have been in the difficult, less 'glamorous' distance events. She has held 800 and 1500 metre club records, a result of simply getting on with the job and training well throughout her long swimming career with the club, having joined as an Associate swimmer in 1999.

Modest and determined, Catherine has been an A team member who could always be relied on to swim whatever and whenever asked and to do her best for the team. Catherine has utilised her swimming talent and achieved great success in biathlon events.

From 2006 she always finished in 1st, 2nd or 3rd positions in South Schools and National Schools Biathlon events. Catherine came 1st in the Junior (19-21 years) event at the National British Biathlon Championships in July 2010, a wonderful achievement that built on her 2nd place the year before in her age group and in September 2009 being selected to take part in GB pentathlon training camps. Catherine is now a student at university but still finds time to return for galas when asked.

In recognition of her dedication and commitment, Catherine has been added to the Roll of Honour 2010.
