

Woking Swimming Club

Roll of Honour

2003 – Josh Williamson

Josh joined Woking Swimming Club in 1988 as an eight year-old. His lively and entertaining personality has made him a popular member of the team throughout his career.

Josh has always been very reliable and swum whatever was asked of him, even in the early years when it meant only swimming in relays. Technically perfect in backstroke and freestyle, Josh is a good role model for younger swimmers.

He became a County individual and relay medallist and achieved a Club record in the 1500m freestyle. Josh was part of the Bronze medal winning Woking Mixed Medley Relay team in the 2001 National Masters competition. Now back from university, having often returned for galas, Josh continues to be an invaluable Open team competitor.

For his length of service and loyalty, Josh Williamson has been added to the Roll of Honour in 2003.

Josh now swims elsewhere as a Masters swimmer.
