Roll of Honour

2019 – Matthew Ferguson

Matthew joined 13 years ago, aged 5, starting at Associate 1 and has developed through the WSC program to be competitive at National level for the past 6 years.

He consistently worked hard in training in the pool and in the gym, which are the major keys to all his success competitively. Matthew has a strong character and is a loyal WSC supporter.

He is an excellent role model, taking every opportunity to support and encourage both our younger and senior swimmers. Matthew is not afraid of exploring new avenues, which would not only be of benefit to his personal swimming career but also to the club as a whole.
