IMPORTANT INFORMATION

1. Clothes should not be left in cubicles, they could be stolen or prevent others from changing. They may be removed by others.
2. Parent/Guardians are responsible for their own children in changing rooms as we are unable to supervise children in this area due to child protection policy rules.
3. Can all children with long hair please tie it back or wear a swim hat. Long hair can hinder someone when they are swimming.
4. Goggles can only be worn from group 3 when discussed with Wendy and your teacher. Wearing goggles can prevent a child completing a badge.
5. Please remember we advise you not to eat for at least one hour before swimming.
6. Children of 8 years and above should be in their relevant changing room.
7. Please make sure you notify Wendy of any changes of details (changes in address, tel nos etc.) or if your child has any medical condition. i.e. asthma, hearing problems, grommets and so on, that could affect your child's learning.
8. Swimming shorts for boys: it is advisable not to wear the long shorts below knees. These create drag and pull and work against the children in lessons, making their progress harder for them.
