

Achievement Award Scheme

The Jack Petchey Achievement Award Scheme is a very popular programme now running in approximately 2,000 schools, colleges and youth organisations throughout London and Essex. The scheme contributes millions of pounds each year to support youth work in London and Essex.

How does it work??

****Young people get chance to regularly nominate their peers for an award**

****The winner receives a framed certificate, pin badge and £200 to spend on a project at their school, club or youth organisation**

The Achievement Award Scheme aims to enable schools, colleges and youth organisations to **recognise, reward** and **celebrate the achievements** of their young people. Jack Petchey wants young people to raise their aspirations, make a contribution to their society and believe in themselves.

Achievement Awards are designed to recognise a wide range of achievement, it is not just about being clever, or gifted, but about putting the effort in and doing your best. The scheme works well because young people themselves are involved in nominating and selecting the winner.

Why don't you...
