### Eligibility criteria

Residence	To be eligible swimmers must ordinarily reside in Cornwall or neighbouring Devon. (For the sake of clarification swimmers who spend term time outside the county for educational purposes but otherwise meet this residential condition are eligible. Likewise, swimmers at educational institutions in Cornwall during term time are eligible.)
Club membership	To be eligible a swimmer must also be a member of a CCASA affiliated club and registered with the Swim England as a member of a CCASA affiliated club for not less than 60 days immediately prior to the competition or the first day of a series of competitions. The swimmer must compete for only one club for the duration of the competition or series of competitions, which must be the club in whose name he or she entered the competition or first of a series of competitions. [Note: This means that a swimmer can change from one CCASA affiliated club to another during the 60-day period but not after the entry date.]
Club membership	To be eligible a swimmer must be a genuine active member of a CCASA affiliated club who commonly trains with that club under whose name he or she is entered into the competition and it is expected that their first county loyalty will be to Cornwall swimming. To achieve this, it is stipulated that a competitor entering any CCASA Competition must perform the majority of his or her training with a club or clubs affiliated to the CCASA during the qualifying periods of residence in the County or neighbouring county as required by the residence rule above.
County Loyalty	A competitor can only swim in the calendar events for one County in any given year. If for example they choose to swim in the CCASA Junior Interclub and/or County Championship and Age Groups, they must not enter or swim for any other county that same year – i.e. start in Cornwall and remain in Cornwall. (Except in an Inter County Competition or an invitation event promoted by CCASA). Competitors can move from one Cornwall County club to another, they can also join another Club out of County but if they have competed in the Cornwall County series of events and then enter another Counties series of events in the same calendar year, they will automatically disqualify themselves from the Cornwall series of events that year.
Members of H.M. Forces	Members of H.M. Forces based in Cornwall who are registered in accordance with ASA Laws and Regulations may enter CCASA competitions without being a member of a CCASA affiliated club. Neither members of H.M. Forces based in Cornwall, nor their spouses or children, will be subject to the 60-day rule. However, their spouses or children must be members of a CCASA affiliated club and adhere to the other eligibility rules.
Extenuating circumstances	Regardless of the above eligibility rules, in the interests of the sport in cases of extenuating circumstances, the CCASA officers shall decide whether a swimmer will be allowed to compete. Their decision will be final. Their decisions will relate to individual swimmers and will not set binding precedents but may be taken into consideration in future decisions. Promoter and lead official to be notified for relevant galas when extenuating circumstances have been agreed

## Annex 2

**Additional rules and variations to CCASA competition rules for competitors with a disability that affects their swimming. Unless specifically stated here, the normal competition rules will apply.**

**CCASA encourages para swimmers to participate in its competitions.**

Entry times	Entry times will not apply to Para swimmers. Times submitted for entry must have been attained in a licensed meet and a record held on ASA ranking. The swimmer's coach is expected to consider and decide on the basis of the swimmer's current abilities whether the County Championships is the most appropriate competition for the swimmer. Advice may be obtained from the CCASA Para Representative.
Awards	Normal award rules apply EXCEPT where there is a single para swimmer entered into an age group event. If there is only one para swimmer entered in an age group event the swimmer must swim faster than the entry time submitted in order to attain an award.

The following additional information must be provided by the swimmer's club to the CCASA's designated recorder when sending in the club's entries:

Classification	If the swimmer has been classified, the classification must be notified, and a copy submitted to the Recorder by the entry deadline. If the swimmer has a Certificate of Swimming Disability a copy must be provided.
Stroke exemptions	In the case of the County Age Groups and Championships the exemptions must be exemptions recognised by the ASA and available from relevant documentation.
Poolside assistance	If the swimmer requires assistance for moving around the poolside, starting (physical support or indication of the starting signal for the audio impaired), turns (a tapper for visually impaired), or anything else, this must be notified in advance.
Wheelchairs	While spectating on poolside, swimmers in wheelchairs must be placed in such a position where their chairs do not hinder the movement of other swimmers and officials along the poolside.
