

## **Club Fees**

Membership fees and monthly fees

We have tried to keep the Club's membership / swimming fees to a minimum to encourage swimmers of all ages and standards to join the Club.

Swimming fees are paid monthly by card payment. There is an initial joining fee to cover Insurance plus club membership. Thereafter the annual club membership is included within the monthly payment and Swim England membership is due annually in February after renewals in January. Seniors who swim occasionally may use the 'pay as you go' system (at the discretion of the Treasurer) and in this case the club annual membership fee is due in September plus the Swim England membership in February.

Barracudas joining fee/membership fee

Single Barracudas membership - £30

Double Barracudas membership - £45

Family Barracudas membership for 3 or more Swimmers - £55
