Parking

Car Parking at the new Wycombe Leisure Centre is limited, but ample additional parking is available in the adjacent Park and ride which is currently free of charges.

There is dedicated parking space for high vehicles and coaches. We recommend you unload passengers at the centre door before proceeding to the coach park.

Waitrose (next door to the pool) also has its own car park. **Competition goers should avoid using this car park**

Parking Tariff in the Centre car Park

- 50p for up to 2 hrs
- £1 for up to 4 hrs – Permitted to extend their stay by purchasing an additional ticket at expiry of their stay

Access

We have access to the changing rooms from 16:30.

Please do not enter the changing rooms before teams can wait on the Café side of the turnstiles to allow the public to leave the facility unhindered.

The Pool

We will be using the Competition Pool in Short Course configuration. This is at the fixed depth end of the pool (away from changing facility). The depth is a constant 2m. Due to lifeguarding and organisational restrictions the community pool and the variable depth end are not available to swimmers.

Please note that no large bags may be brought poolside, only small drawstring type bags will be permitted.

Warm up is scheduled to start at 17:00

AOE

The AOE will be used during this event. Please be aware that this will be the first time we have utilised the system for a team event. At this stage we do not plan to display individual swimmers names, due to the complications of importing from the arena team sheets in a short space of time.

Changing Village

Changing rooms are on the left after the turnstiles. There are limited numbers of changing rooms so swimmers should pass quickly through the changing facility to poolside. Please remove dirty outdoor shoes or use the overshoes provided before proceeding through the facility to change.

Swimmers please note that you should use any changing rooms as a temporary changing facility and not leave bags and clothes in any changing room. Please note that only authorised volunteers, officials, team managers, Coaches and swimmers will be permitted entry into the changing rooms.

Lockers

All lockers are secured by Padlock rather than coin mechanism. Padlocks should be 40mm combination locks with a 6mm diameter shackle and can be purchased at Reception or you can bring your own. The Leisure Centre will be selling padlocks for Open Meet Swimmers. Due to the limited number of lockers in the changing rooms, we would ask swimmers, where possible to share lockers, they are reasonably large and have ample room for two swimmers bags.

Spectators

Please note that spectators **may not bring** their own chairs and should use the seating provided, and walkways must be kept clear.

There are ample spectator seats available but as the event is swum short course some seats will have better views. Admission to the spectator area will be on a first come first served basis.

Access to the spectator area is through the turnstiles and upstairs. Usual Arena charges will apply £3.50 entrance, 50p programme.

Food Facilities

Wycombe Leisure Centre has a small cafe, offering sandwiches and hot drinks, however note that there is not the facility for full catering. Waitrose, located adjacent to the leisure centre is also open and has a cafe.

Vending machines are available in the centre for all things swimmers probably should not eat or drink.
