

ASC photography policy

1. Unless the swimmer is clothed, poolside images and footages to be above waist height only
2. Unless the parent has “opted out” land sessions by zoom may be recorded to allow coaches to review and then reinforce exercises in swim sessions
3. Unless the parent has “opted out” footage may be taken of a swimmer’s technique to use in their development
4. Training footage will only be for the use of the swimmer and their coach. No-one else will have access to the images/ footage
5. Footage must not be kept on devices for more than 1 week, unless for a specific reason, in which case consent is needed from swimmer's parents
6. Specific parental consent needed to use images of the swimmer on any social media and website that is “open to the world”
