## COCA Winter Splash 2017

16<sup>th</sup> & 17<sup>th</sup> December

Welcome to our COCA Winter Splash meet, promoted by Chalfont Otters Swimming Club in partnership with Chesham and Amersham Swimming Clubs.

A huge thank you to all the officials and volunteers who are helping us this weekend, without their hard work we would not be able to run this meet.

We look forward to hearing some strong positive vocal support for the swimmers from the spectators' gallery. However, please be silent for the start of each race when the referee blows their whistle – the swimmers will need to hear the start signal.

Good luck to everyone swimming today and look out for the results as they come in.

## **Medals**

Medals will be awarded to the top three placed swimmers in each age group (9, 10, 11, 12, 13, 14, 15, 16+) for each event.

Presentations will not be made. The results for each event will be posted up in the changing area and in the spectator gallery once available. Awards should be collected from the awards table once the results are posted.

## **Registration**

Registration will be open for 1 hour prior to the warm up for each session. Any swimmer not registered by the start of the warm up will be withdrawn from that session and no money will be refunded.

- Session 1 registration will open at 10.30am and close at 11:30am.
- Session 2 registration will open at 2:30pm and close at 3:30pm.

## **Time Trials**

Please enquire at the registration desk if you want to enter a time trial.

A fee of £7 will be charged for each time trial payable in cash or by cheque (payable to “Chalfont Otters Swimming Club”).

Successful time trials will be entered into the 1<sup>st</sup> heat of each event and will be confirmed by your coach or at the medals table once the heat sheets are issued for the session.

Refunds for unsuccessful time trials can be collected from the spectator entry desk after the start of the session.

## **Warm Up**

The pool will be available for warming up for 1 hour before the start of each session (refer to the Programme of Events on the previous page for timings).

Swimmers should swim in the direction indicated by the lane direction cards during warm up or as directed by the announcer. Sprint lanes will be announced.

## **Events**

When called for an event, swimmers must report to the competition stewards to be allocated a heat and lane number. It is the responsibility of the swimmer to report to the stewarding area in sufficient time for each event.

Marshals will be poolside to help organise the swimmers into the correct heats. If a swimmer cannot be found in time for the start of their heat, the event will be run without them and they will lose their place.

Heats will be run with all ages seeded together based on entry times and the slowest swimmers first. The final heat will be spearheaded.

Starts will be “over the top” where possible to ensure that the events run to time in each session.

### **'Elf 'n' Safety (Ho Ho Ho)**

But seriously..., please listen carefully to the safety announcement made at the start of each session.

To avoid blocking emergency exits and walkways around the pool area, we request that all swimmers place their swimming bags in the lockers provided. The lockers take £1 coins and are refundable.

The changing rooms are unisex and will be patrolled during the meet to ensure the safety of all the swimmers. It should also be noted that Magnet has security cameras in operation in this area.

Possessions and articles must not be left unattended as neither the Promoters nor the pool operators will accept liability for any loss or damage to property.

The Teaching pool is out of bounds to swimmers at all times. No wet clothing is allowed in the spectator seating area.

### **Video Recording / Photographs and Mobile Telephones**

The ASA have updated their guidelines in regard to photography at meets and no longer require photographers to register their details with the meet promoters. If you wish to use photographic or video recording equipment poolside you will need to obtain permission from the leisure centre reception.

We do request that mobile telephones are silent during the competition and that there is no flash photography at the start of each race.

**COCA Winter Splash 2017**

**16<sup>th</sup> & 17<sup>th</sup> December**

### **MAKE SOME NOISE – OR BE QUIET?**

We hope to hear lots of support from the spectator stands for the swimmers taking part today. Feel free to cheer and shout during the races.

**HOWEVER** – There are times when you will need to be quiet

- Please be quiet for the safety announcements at the start of the session prior to and after the warm up.
- Please also be quiet for the start of each race. It is important the swimmers hear the starter clearly, we don't want them to miss the signal or worst, false start.

### **PHOTOGRAPHY**

Any person wishing to engage in any video or photography must obtain permission from the leisure centre. This includes the use of mobile devices. The use of flash photography is not permitted as this can be distracting to the swimmers.

If you are concerned about any photography taking place at this event, please contact one of the officials or a member of the club committee who will be pleased to discuss the matter with you.
