#### **Parking**

Parking at Woodside is marked as only available for 4 hours. However, we have agreement from Watford Borough Council to suspend the parking restrictions for both days of the meet. It is still necessary that you obtain and display a ticket in your car when you park and please ensure you park within a marked bay.

## **Arriving at the Centre**

Areas for individual clubs will be clearly marked for each team to sit and this will be allocated based on the number of swimmers attending.

The doors will be manned by volunteers who will be checking the names of volunteers we are expecting (either coaches, team managers or officials). We will not be allowing entry to anyone who is not on that list so please do not try to enter and respect the volunteers on the day. This is due to capacity limits imposed by the Centre.

## **Warm up / swim down**

A warm up schedule will be issued in advance of the event and there is a capacity limit during the warm up of 8 swimmers per lane – please do not exceed this limit at any point during the warm up.

Swim down – the small pool will be available for swim down.

## **Coaches / team managers**

The only coaches / team managers who will be allowed on poolside are those who have been named on the safeguarding form provided in advance. They will be given a poolside pass which should be worn at all times to aid identification. If additional pool passes are required please get in touch ahead of the meet as pool passes will not be available to purchase on the day.

Pool passes will entitle the coaches / team managers to refreshments which will consist of tea / coffee / biscuits and lunch / tea between sessions.

Coaches are responsible for supervising warm up and they and Team Managers are responsible for supervising their swimmers.
