Code of Conduct for Coaches

All coaches of Wolverhampton Swimming Club (WSC) will be asked to sign and return their acceptance of this Code ("the rules") as part of the membership agreement. This indicates that they have read and understood the rules, and that they agree to follow it at all training sessions and galas.

The aim of WSC is to promote competitive swimming with a friendly open approach. The club is committed to treat everyone equally within the context of their activity, regardless of sex, ethnic origin, religion, disability or political persuasion. WSC believes that the welfare of children is everyone's responsibility and that all children and young people have a right to have fun, be safe and protected from harm.

As a club affiliated to Swim England we are expected to conduct our activities within the rules of the Association. These rules include the Code of Ethics, Code of Conduct and Equality Policy.

This Code is an extension of the Swim England Code of Ethics. Both should be followed.

The Teacher/Coach must:

- Always place the well-being, health and safety of swimmers above all other consideration including developing performance.
- At all times adhere to the Swim England Code of Ethics, Rules and Laws.
- At all times adhere to the Swim England Child Safeguarding Policy and Procedures.
- Consistently display high standards of behaviour and appearance.
- Treat all swimmers with respect and dignity, value their worth and treat everyone equally, recognising their needs and abilities within the context of their sport.
- Develop an appropriate working relationship with swimmers based on mutual trust and respect.
- Meet the Swim England commitment to equality, diversity and inclusion.
- Always ensure that all teaching, coaching and competition programmes are appropriate for the age, ability and experience of the individual swimmer.
- Always identify and meet the needs of the individual swimmer as well the needs of the team/squad.
- Be fair and equal in team and training squad selection.

- Never exert undue influence to obtain personal benefit or reward. In particular, coaches must not use their position to establish or pursue a sexual or improper relationship with an athlete or someone close to them.
- Encourage and guide swimmers to accept responsibility for their own behaviour and performance.
- Continue to seek and maintain their own professional development in all areas in relation to coaching and teaching children.
- Treat all information of a personal nature about individual swimmers as confidential, except in circumstances where to do so will allow the child to be placed at risk of harm or continue to be at risk of harm.
- Encourage all swimmers to obey the spirit of the rules and laws both in and out of the pool.
- Co-operate fully with other specialists (e.g. other coaches, officials, sport scientists, doctors, and physiotherapists) in the best interests of the swimmer.
- Never encourage or condone swimmers, volunteers, officials or parents to violate the rules of the club or the sport and report any violations appropriately.
- Observe the authority and the decision of the officials and only question those decisions in the appropriate manner.
- Treat all competitors and other club teams with respect, whether that is in victory or defeat and encourage all team members and fellow club members to do the same.
- Refer all concerns of a child safeguarding nature in line with the club/Swim England safeguarding children's policy.
- **Act in accordance with the WSC Mobile Device Policy. However, it is acknowledged that coaches need to be contactable whilst at Open Meets and other such galas, and may also need to access meet information, results etc whilst attending these competitive events. Therefore, appropriate use of a mobile device is acceptable for coaches unless the local centre policy dictates otherwise. A failure to observe this policy may result in disciplinary action as sanctioned by the Club. This policy is available on request and forms part of the Swimmers' Code of Conduct and is a condition of their membership agreement with the Club.**
