

Letter from the Chair - September 2018

Hello Members,

Welcome to Boldmere Swimming Club. Our aim is to promote a life time enjoyment of aquatic sport. For some this enjoyment will come from water polo, for others speed swimming, some may wish to compete and hopefully rise to success in competing at County, Regional, National or International level. Whatever you choose, the most important aspect is that you enjoy the participation and create happy long-lasting memories of your time at the club.

Drawing from over 600 members our competitive teams and squads continue to go from strength to strength under the leadership of our experienced and enthusiastic water polo and swimming coaches. We continue to work with the City of Birmingham as part of the aquatic pathway for those who are interested in this route.

We continually strive to improve the operation and running of the club, we recently gained Swim Mark accreditation for the entire club. We are now introducing an online membership system to provide an improved service to our members.

Stechford Cascades our long-standing Open Meet venue has closed, and we are now forced to hold these at Wolverhampton, whilst not local, it is an excellent facility.

The Club is a membership club, run by volunteers. As I am sure you can appreciate some volunteers put in an incredible amount of work to ensure the smooth running of the club, to them we are greatly indebted.

We are always looking for ways to improve the club and your thoughts and feedback are gratefully received, along with your support for making changes. Help in any way that can be offered is welcome, whether a few minutes a week or weekend or help during galas, please offer whatever help you can to make your club the best it can be.

I trust you all have a fantastic swimming year and create the memories that will last a lifetime.

Regards,

Keith Munday
