

Equality Statement

Boldmere Swimming and Water Polo Club is strongly committed to equal opportunities for all sectors of the community.

It is the policy of Boldmere Swimming and Water Polo Club to ensure that no participant, volunteer, coach or parent receives less favourable treatment on the grounds of age, disability, race, religious belief, nationality, pregnancy, parental or marital status, sex, sexual orientation, class or social background, transgender or political belief.

The Club welcomes individuals from all parts of the community to enjoy the sport in an environment that is free from all forms of discrimination and will endeavour to provide open access to all those who wish to participate in swimming.

The Club is committed to making equity an integral part of all development plans for the future, and also recognises and adopts the Sport England definition of Sports Equity:

Sports equity is about fairness in sport, equality of access, recognising inequalities and taking steps to address them. It is about changing the culture and structure of sport to ensure that it becomes equally accessible to all members of society, whatever their age, ability, gender, race, ethnicity, sexuality or socio-economic status.

Boldmere Swimming and Water Polo Club expect all those acting on behalf of the club to adhere to this policy.

In pursuance of this policy Boldmere Swimming and Water Polo Club reserve the right to discipline any of its members who practise any form of discrimination on the grounds of a person's age, disability, race, religious belief, nationality, pregnancy, parental or marital status, sex, sexual orientation, class or social background, transgender or political belief.
