

## BOLDMERE SC TEAM CHALLENGE – The New Hall Valley Trail

There are 4 entrances to the New Hall Valley trail, two with small car parks off Coleshill Road and Wylde Green Road and two from Ebrook Road where there is a small amount of on road parking.

If you have not followed this trail before it is a lovely walk/cycle ride and is great for dogs ...

The route map has little detail and the numbers are there as a rough idea for the position of the questions.

Here are some clues ... solve them if you can ... there are sometimes more than one correct answer ...

**The Challenges** – As you walk around can you take pictures of **three** different birds ... and then name them
